DISASTER MANAGEMENT

Government of India
Ministry of Communications & IT
Department of Telecommunications
(AS-III Section)

No.15-31/ 2014-AS.III

Dated 02nd December 2015

To

All Access Service Providers,
National Long Distance (NLD) Service Providers
VSAT Service Providers

Sub: Measures to restore communication facilities in Tamilnadu & Puducherry due to "Rains".

As state of Tamilnadu & UT of Puducherry affected by heavy rains, all Access Service Providers are hereby directed to take steps for immediate maintenance & restoration of telecommunication facilities in these areas and to facilitate the knowledge of well beings of relatives in these areas.

2. Further all Access Service Providers in Tamilnadu Service area including Chennai & Puducherry are directed to take following steps immediately:

i. To share available infrastructure including intra circle roaming arrangements amongst service providers authorized to provide Access Services(2G/3G or both as the case may be) in service area of Tamilnadu including Chennai & Puducherry for fifteen days unless extended otherwise.

ii. To operationalise immediately call centers in Tamilnadu including Chennai & Puducherry with following helpline numbers for telecom services and missing person information:

1948 - Tamilnadu including Chennai & Puducherry

iii. To helpline number shall be accessible from other service areas.

iv. A call center with access code 1070 has been opened in Chennai. These numbers shall be operationalized immediately and accessible from other service areas without STD code for 1070.

v. To transmit messages or advisories through SMS from State Government/Central Government /NDMA/Metrological Department to all subscribers in Tamilnadu including Chennai & Puducherry

4/c
vi. To transmit helpline numbers to all their subscribers through SMS.

vii. Submit a report by 0700 Hours every morning & 1500 hrs in the afternoon by email to DDG(TERM) Chennai, and Dir (AS-III) in the enclosed format.

viii. The above shall be operational for fifteen days unless extended otherwise.

3. All endeavour shall be made to provide Wi-Fi hotspots (by using VSATs or otherwise) in relief camps being organized by respective State/UT Government on the lines of facilities provided during J&K floods. PCOs may also be provided in such relief camps and other appropriate locations.

4. Mobile Base Station (COW) may be deployed at district magistrate offices in case the need arises. Such more base stations (COW) may be deployed in the affected districts on priority basis to provide communication facilities. Diesel may be stored in sufficient quantity and necessary arrangement be made to diesel generating set at base stations to ensure communication facilities.

5. All National Long Distance (NLD) service providers and VSAT Service Providers should also extend help to meet the challenge by sharing infrastructure for immediate restoration of Telecommunication facilities.

6. DDG (TERM), Chennai shall be the nodal co-coordinating officers with respective State Govt./NDMA Units and all service providers in that state.
