DO No. 64-17/09-BB-Vol.III  
Dated the 13<sup>th</sup> January 2011

*Dear Shri .....*

I would like to remind you that huge amount of subsidy is given from USO fund for establishment of one broadband kiosk in every rural exchange. Also, it was mandatory under USOF Agreement for certain number of broadband kiosks to be opened before January end; otherwise penalty will be levied as per agreement.

As such you were requested to ensure that at least 15 per cent of the rural Exchanges are equipped with broadband kiosks in your Circle. It is a simple job of providing a PC and simple software in the PC and making commercial arrangement for providing service at the kiosk with one person (along with some other work) to start with and claim subsidy.

It will be personal responsibility of the CGM to ensure that no penalty is levied and minimum number of requisite kiosks is opened before January end to avoid penalty.

You are requested to kindly take necessary steps to ensure this job *on priority*.

With best wishes,

Yours sincerely,

(Rajesh Wadhwa)
