Dated: 29/07/2010

To:

All Heads of Telecom Circles/Telecom Districts

Subject: Provision of One free static IP only upon written request by the customer as per the applicability under a broadband plan.

Kindly refer different limited/unlimited broadband tariff plans through which provision of One static IP address free of cost was offered.

As per the instructions from the competent authority, it is intimated that free static IP as per the applicability in a broadband plan should be provided to the customer **only upon the written request by the customer**. For this suitable modifications may be made in the broadband CAF so that the request for provision of static IP address may be made by the customer at the time of applying for Broadband connection.
