Subject: IN services creation and offline order for migration of existing services - regarding

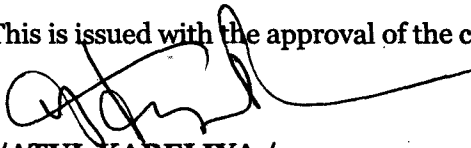

At present, commercial and billing activity for IN services i.e. FPH, PRM, Tele voting etc. for landline services are being handled manually by the respective SSAs. Now, functionality for handling commercial and billing activity for IN services has been successfully validated and tested and is ready for implementation in CDR system.

In view of the above, existing IN subscribers can now be migrated to CDR system. Therefore, it is requested to issue suitable instructions/ guidelines to field unit to migrate the existing IN subscribers/ services in their SSA to CDR system. User manual/ document and presentation regarding the same is enclosed herewith which may be shared with all the Circles/SSAs.

SSA or field staff may be advised to contact the nodal officer of their zone for facilitating the migration as mentioned in the following table:

Zone	Name of the officer	Designation	Contact Number	Email ID
