

BHARAT SANCHAR NIGAM LIMITED
(Government of India Enterprise)
(BW Unit: Corporate Office)
Telegraph Office Building, Kashmere Gate, Delhi-110006

No. 482-16/2006-BG(Pt.)

Dated: 27.03.2012

To
The Chief Engineer (Civil)
BSNL, UP(E) Civil Zone
Lucknow

Sub: Installation of ATMs in BSNL premises on PAN India Basis – regarding cost of construction and provision of Electric Meter.

Ref: Your office letter no. 04/EE/BD/Works/CZ/ATM/70 dated 17.01.2012

Please refer to your letter under reference in the subject matter. In this regard, it is intimated that for construction of structure of ATM, bank will have to deposit the cost as advance as per clarification issued by BSNL CO vide letter dated 20.10.2011 & 09.12.2011.

Further, regarding installation of electric meter or any electric sub-station upto 5 KW (3 Phase) following procedure should be followed:

- a. Bank may be requested to get separate Electric Connections from Local Utility Company directly in their name. Arrangement to give supply by BSNL through Sub Meter may be considered only if Local Utility Company do not provide two connections/meter in the same premises. It may also be ensured that the By-Laws of local Utility Company may not be violated under such agreement.
- b. The rates may be decided locally in consultation with Electrical Wing considering actual Charges of EB supply including overhead charges e.g. fixed charges/Electric duty/ST/Other taxes etc. and derived charges for DG supply.
- c. No penalty clause is acceptable from Bank in case of Electric /DG failure.
- d. This may be decided by the concerned CGMT in consultation with the zonal CE(E).
