No. 112-1/2014-BP-Ent

Dated: 03-12-2015

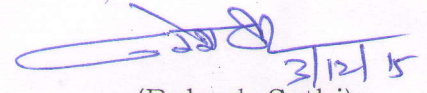

Subject: Tariff for 100 Gbps Point to Point Leased Circuit – regarding

Leased Line tariff in respect of 2 Mbps to STM4 has already been revised vide this office letter of even no. dated 08.08.2014. Further, Leased Line tariff for STM-16 and STM- 64 were also revise vide this office circular No.- 112-1/2014-BP-Ent dated 8th October 2014.

2. Now, It has been decided by the Competent Authority that the tariff of point to point leased line of capacity 100 Gbps be determined by multiplying the tariff of point to point leased line of STM-4 (Tariff of STM4 issued vide this office circular No.- 112-1/2014-BP-Ent dated 8th August 2014), by the coefficient factor specified below:-

Capacity	Coefficient Factor
100 Gbps	31.63

3. All other terms and conditions will remain same as mentioned in this office letter of even no.- dated 08.08.2014.

(Rakesh Sethi)
