Date: 08.01.2010

Circular R&C No. 115/09-10

Sub. Validity modes according to plan types under CDMA prepaid services - reg.

It has been decided by competent authority to frame a uniform policy for modes of extension of validity in different plans of CDMA prepaid services as under:

Sr. No.	Plan Type	Validity Mode
1	VPT (STD & without STD)	Max mode
2	Life Time Plan	Max mode
3	PCO	Max mode
4	Normal Plan (all plans except covered under above 1,2 and 3)	Add mode (max. validity 2 years)

2. **Max mode:** In the event of any recharge, the existing remaining days of validity or validity available with new recharge which ever is more will prevail in the validity account.

Conditions	Effective validity
If validity of new recharge voucher is more than balance validity days.	The validity of new recharge will be effective from the date of recharge
If the validity of new recharge voucher is less than the balance validity days.	The existing balance validity days will continue.

3. **Add mode:** Validity available with all RCVs recharged are added to the remaining validity days in the subscriber's account. Add mode would be applicable to normal plans but validity may be accumulated up to maximum of 2 years.

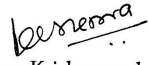

4. Plans having Minimum Recharge Condition (MRC) of any specific amount of recharge/top-up within specific time period would continue to exist. For example, in the case of life-time plan, for extension of validity of 180 days the customer has to recharge with a minimum recharge/top-up of Rs. 200/-.

5. As per GOI order, in J&K LSA no prepaid service will be offered under mobile services. In case of Assam and North East LSAs, extension of validity is subject to the guidelines/instructions issued by Govt. of India/Regulatory Authority from time to time.

6. This may be brought to the notice of all concerned for taking necessary action in this regard. Proper advertisement as deemed fit may be made to generate adequate response.

7. This circular is issued based on the approval of the Competent Authority in CDMA File No.69-3/2009-CDMA/Pt.2. For any queries/clarification communication in respect of above tariff, the matter may be addressed to GM (NWP-CDMA),

8. The impact of this revision needs to be analyzed and feed back submitted on monthly basis to BSNL HQ on Fax No. 011-23329125 and e-mail–prema@bsnl.co.in or skmohakud@bsnl.co.in.
