Subject: Purchase of Plan-103 phone instrument for official service telephone connection.

Of late, a lot of requests are coming from the officers of BSNL CO, New Delhi for procurement of Plan-103 /Boss-Secretary instrument for official service telephone connection . On seeing the inability of MTNL authorities to provide the plan 103 telephone instrument , it has been decided by the competent authority to delegate powers to concerned head of the unit to purchase the phone instrument through their staff from the imprest bill, after taking non-availability certificate from MTNL Authority.
