Dated: 18-11-09.

To

All CGMs BSNL/ Metro Distt/Mtce Regions

Subject:- Tariff for accessing MPLS Network through CDMA devices as back up/main links- Allotment of Static IP- regarding

The charges and other terms and conditions of using CDMA network as back up /main links have already been issued vide this office Circular No.115-41/2008-BP-Ent. Dated 4-8-2009.

2. Kindly refer to para 4.6 of the above mentioned letter dated 4.8.09 wherein it is mentioned that wherever main connectivity to MPLS port is not available due to non-feasibility of the wire line connectivity at the customer end, the wireless connectivity may be provided through CDMA EVDO via PDSN in lieu of the wire line connectivity at the customer end.

3. Now, it has been decided by the competent authority that such type of connectivity can be provided, on customer request, with one static IP address. The tariff of static IP will be Rs.1500/- per annum in addition to the tariff for accessing MPLS network through CDMA devices as back-up links.

4. All other charges and terms & conditions will remain same.
