Subject: Filling up of the vacant posts of SE(C) & EE(C)'s in NE-II; reg.

Ref: Your office letter dated 01.08.2016

Kind reference to above letter on cited matter. It is informed that presently, there is an acute shortage of regular Executive Engineer in grade i.e. out of sanctioned 222 posts of EEs about 175 posts are vacant. There are legal impediments for effecting promotion by various CAT orders. Therefore, in view of the similar shortage in other zones, in the present situation, it is advised to consider for filling of all the vacant post of EE's by local **Looking after arrangement.**

In this regard, kindly refer to this office letter dated 27.08.2013 and BSNL CO letters of Pers-II dated 22.03.13, 01.04.13 & 29.04.13 wherein the guidelines of Look After arrangement by executives availing higher scales of pay have been given.

In view of above guidelines, Looking After arrangement from the available senior executive in the grade of SDE(C) may be considered to meet the shortage in the grade of EE(C) in the zone.

The vacant post of SE(C) shall be filled soon.

This is issued with approval of the competent authority.
