No. 1-11(NGN)/2013-Pers.II

November 12<sup>th</sup>, 2013

To :

The Chief General Manager,  
BSNL Corporate Office,  
KTK / AP / KTD / OR.

**Sub: Posting of JTOs/SDEs to NGN Circle (South zone & East zone).**

Sir,

I am directed to refer to the above cited subject and to say that NGN is going to be deployed to replace the existing TDM based Telecom. switches. NGN is very prestigious project which will augment the switching capability. To deliver the project in a timely and focused manner, a new circle called NC-NGN circle has been set up.

2. With deployment of NGN, lot of existing TDM switch related work will shift from circles to NC-NGN circle. There is an urgent need to post officials in NGN circle as the equipment is being delivered. Posting of staff since installation stage would help them in getting trained on various technologies.

3. The immediate requirement of officials for NC-NGN is as follows :

(1)	Bangalore	:	5 SDEs	(under KTK circle)
(2)	Hyderabad	:	4 SDEs	(under AP circle)
(3)	Kolkata	:	1 SDE	(under KTD circle)
(4)	Bhubaneshwar	:	5 SDEs	(under OR circle)

4. The CGMs of respective circles are requested to post the requisite number of SDEs to NC-NGN circle on top most priority, in consultation with CGM, NC-NGN circle.

5. The compliance for the same may be given by 18.11.2013.

6. This issues with the approval of competent authority.

Yours faithfully,

(V.K. SINHA)

Asstt. General Manager(Pers.II)
