OFFICE MEMORANDUM

Sub: BSNLMRS – Guidelines for regulation of expenditure on Indoor treatment – cases where no CGHS rates are prescribed for any treatment/procedure.

Ref: 1. OM No. BSNL/Admn.I/14-2/09(pt.) dated 29th October 2009
2. Lr. No. BSNL/Admn.I/15-3/11 dated 26th May 2011.

Please refer to the guidelines issued on the subject in the letters referred above. It is observed that CGHS notifies rates for majority of the treatments. Rates for certain treatments/procedures which are cosmetic in nature and treatments for correction of deficiencies like infertility etc. are not available in CGHS. Therefore, it is decided that before examining such cases following facts may be ascertained from the hospitals before processing the bills:

1. Whether any alternate procedure is prescribed under CGHS for treatment and the rates prescribed by CGHS for such procedure.
2. If there is no alternate procedure prescribed in CGHS, is the treatment critically essential for normal functioning of the patient.
3. The treatment is not of cosmetic nature, in any way.
4. The treatment is not for infertility or for correction of any deficiency.

The cases duly examined on the above lines along with due documentary support papers may only be sent to this office for further decision.
