-----

Kindly refer to the letter mentioned under reference (1) to on the subject. Compliance on stopping of blocking facility of generation of CDR in respect of OCB/AXE-10 Switches to avoid loss of CDR due to wrong MML command are for any other reason is not received in this office. The same may be complied by return FAX .

BSNL Corporate Office New Delhi letter under reference 2 has issued the following instructions and the same has to be complied by all SSAs .

1. Super user password of the exchange should not be delegated below DE level.
2. DE-in-charge of the exchange should give certificate every month through SSA Head that no command related to blocking of CDR generation has been used. The SSA Head has to send the certificate to the revenue assurance/T.R Team of the SSA for necessary action.
3. Revenue Assurance/TR Team of the Circle Office during inspection should verify that these Certificates are available with the Revenue Assurance/TR Team of the SSA.
4. Both the Circle and SSA Revenue Assurance/TR team should carry out surprise inspection of the exchanges including C-DOT and 5ESS Technology also by verifying the logs and in case any violation is found, same should be treated as misconduct and the case should be dealt accordingly without delay.

Compliance on above points may be sent to this office by 21.11.2011, in order to comply to BSNL CO.
